WOMEN IN ENGINEERING CAREER EXCELLENCE AWARD

WAMS 2026 invites all women professionals from both industry and academia with over 10 years of experience in the field of Wireless, Antennas, and Microwaves to apply for the Women in Engineering Career Excellence Award. A panel of experts will evaluate applicants' technical and leadership contributions.

- The award includes a cash prize, a plaque and a certificate.
- The award will be presented during the WAMS 2026 banquet ceremony.
- We welcome both self-nominations and external nominations.
- Please note that a nominator may submit only one nomination.

Application Instructions:

Applicants/nominators can apply using the Google form linked to the QR code or the website. Please include the following documents:

- CV/Resume of the applicant
- Two-page write-up summarizing the applicant's research contributions and leadership activities
- List of applicant's Awards, Grants, and Publications
